

## How to Obtain Continuing Education Credits

The Canadian Association of Cognitive Behavioural Therapies is approved by the Canadian Psychological Association to offer continuing education for psychologists. The Canadian Association of Cognitive Behavioural Therapies maintains responsibility for the program.

### To earn CE certificate(s) at the 2022 CACBT-ACTCC virtual conference, attendees must:

- Attend the workshop in **full** (no partial credits awarded).
- Attend the conference **live** (CE credits will **not** be provided if you watch the recorded version).
- When you click on a Zoom link to join a CE credit-eligible workshop, you will be prompted with a registration form. Please provide your contact information, including first name, last name, and email, and indicate that you would like to obtain CE credit for the workshop.
- **Complete the post-workshop evaluation survey** with the appropriate **code** (link and code will be posted at the end of the workshop). **Survey must be completed before the end of the day you attended.**
- You will receive the CE certificate via email approximately two weeks following the conference.

Workshops that will earn CE certificates upon completion of a post survey include:
